COMPANY INTRODUCTION

ABOUT US

Finance Monkey is your guide in the financial jungle

To put it simply, Finance Monkey is a Finance-Managing company. For you this means that we will handle all your financial matters, or at least the matters you hand over to us. Finance Monkey deals in a wide array of services. This includes providing you with a Basic book-keeper to a Finance Manager who will help manage each and every penny that flows in or out of your business. Finance Monkey wants to help your business flourish. Hence, we offer every finance-related service under the sun.

OUR MESSAGE

Like our name, each individual and Business is unique. Our goal is to help enrich and take away the stress of finance related issues for all our clients and guide them through the financial jungle.

COMPANY VALUES

- Our goal is to cut out the orthodox methods and bring in fun and creativity when it comes to dealing with numbers and finance.
- There is a heavy belief in the ideology of giving everything a personal and an authentic touch. Don't expect us to be formal.
- If it wasn't obvious enough already, our team of talented individuals will provide you the best services money can buy.

If your ship
doesn't come in,
**swim out to
meet it!**

HOW WE FIT IN WITH YOU

“Creativity and innovation tend to eliminate today’s and tomorrow’s problems.”

The thing about us is that we tend to put a premium on our client relations but in order for us to build that relation we need to analyse all our our clients needs and reflect within on how we can help.

Our list of services is vast in nature:

Leaf Management (Book-keeping)

With Finance Monkey’s industry-leading accounting and bookkeeping services, you can rest assured that our highly trained financial experts will handle everything from the basics to an end-to-end solution tailored to your business.

Banana-Receipts (Financial Statements)

How simple would it be to just sit back and receive a complete financial statement for your business, periodically without you having to move a muscle? Sounds like a dream, doesn’t it? Finance Monkey is here to make such dreams come true!

Fruit inspection (Internal Audit)

We understand the importance of a good internal audit and have the team and experience to help you achieve the desired result efficiently and accurately. Our internal audit services provide you with assurance.

Banana control (Company Formation / Secretarial Services)

At Finance Monkey, we understand how difficult it is to start your business journey. You can rely on us to set up and manage all your business compliance needs. We provide efficient and effective company formation and secretarial services

Fruit Seed Management (TAXATION)

Finance Monkey is here to assist you in your tax related matters. We do not take your taxation light but we make sure it gets easy for you. From VAT registration and quarterly VAT submissions all the way to Corporate Tax services, we cater all the requirements.

LEAF MANAGEMENT

(ANNUAL ACCOUNTS & BOOKKEEPING)

THE BLOODLINE OF THE OPERATIONS

Finance Monkey provides professional and tailored book-keeping services for businesses of all sizes. From start-ups to large enterprises our trained professionals keep track of all financial records to ensure accounting and compliance.

We provide a full range of book-keeping services, including data entry, payroll processing, and invoicing. You can focus on running your business and leave the paper work to us.

- Comprehensive Bookkeeping Solutions
- Customized Solutions
- Confidentiality & Security
- Commitment to Excellence

FRUIT INSPECTION (INTERNAL AUDIT)

Partnering with Finance Monkey for your internal audit needs means gaining a trusted ally committed to helping your organization achieve financial excellence and operational effectiveness.

Comprehensive Internal Audit Services.

Process Improvement and Efficiency.

Risk Management and Compliance.

Trusted Partner and Confidentiality.

BANANA RECEIPTS (FINANCIAL STATEMENTS)

Our commitment to accuracy, efficiency, and integrity sets us apart in the industry, making us a trusted partner for all your bookkeeping needs.

EXPERTISE AND EXPERIENCE

With years of industry experience, we have developed a deep understanding of various business sectors, enabling us to tailor our services to suit your specific requirements.

CLIENT-CENTRIC APPROACH

We believe in building long-term relationships based on trust, open communication, and reliable service. Our dedicated team is always available to address your concerns, answer your questions, and provide expert advice to help you make informed financial decisions.

“Our mission is to provide the highest level of service with an experience that feels fun ”

FRUIT SEED MANAGEMENT (TAXATION)

We are extremely well-versed in both Value Added Tax and Corporate Tax.

With the combined experience of 70 years with leading professionals working in Finance Monkey, we are confident to say you are in safe hands.

Value Added Tax

- Extremely well versed professionals will make the experience seamless and fun.
- Finance Monkey keeps themselves updated on the ever changing financial landscape, which makes us the perfect consultants for you.
- Our all rounded packages involve us taking control of the wheel while you relax and focus on all other goals.

Corporate Tax

- We offer a comprehensive range of corporate tax services to meet the unique needs of your business.
- Our services encompass corporate tax planning, preparation and filing of corporate tax returns, tax compliance management, tax optimization strategies, and tax consulting.
- We tailor our services to your specific requirements, ensuring accurate and timely tax reporting and compliance.

RISE OF THE PLANET...

Finance monkey swung through the jungles and landed in the UK in the year 2022.

Finance Monkey embarks on a thrilling journey to explore numerous destinations and beyond! With a world of opportunities ahead, our ventures continue to expand.

Finance Monkey in The U.K.
